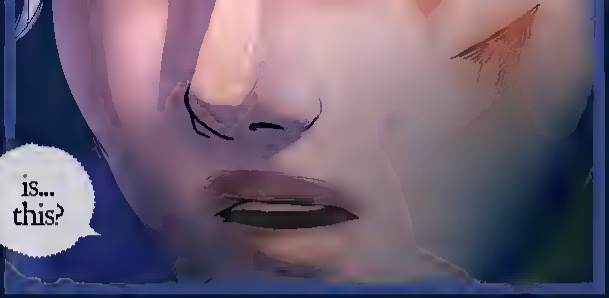
♫ Please turn on sound ♫

HELIOS:FEMINA

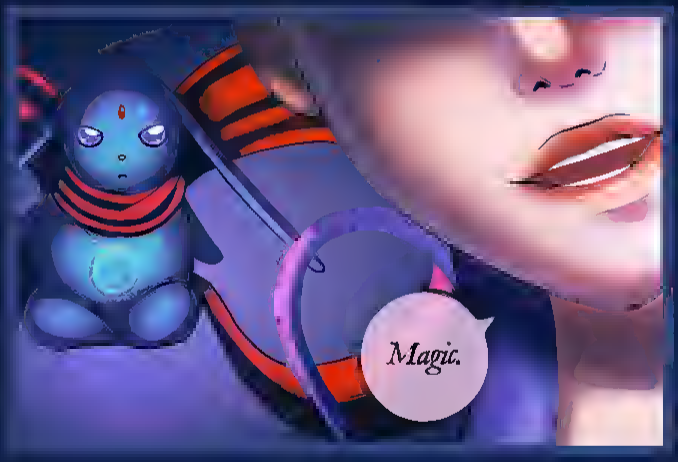
A Symphony of Light

Mir...

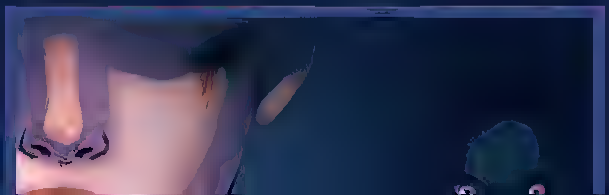
What...



is...
this?

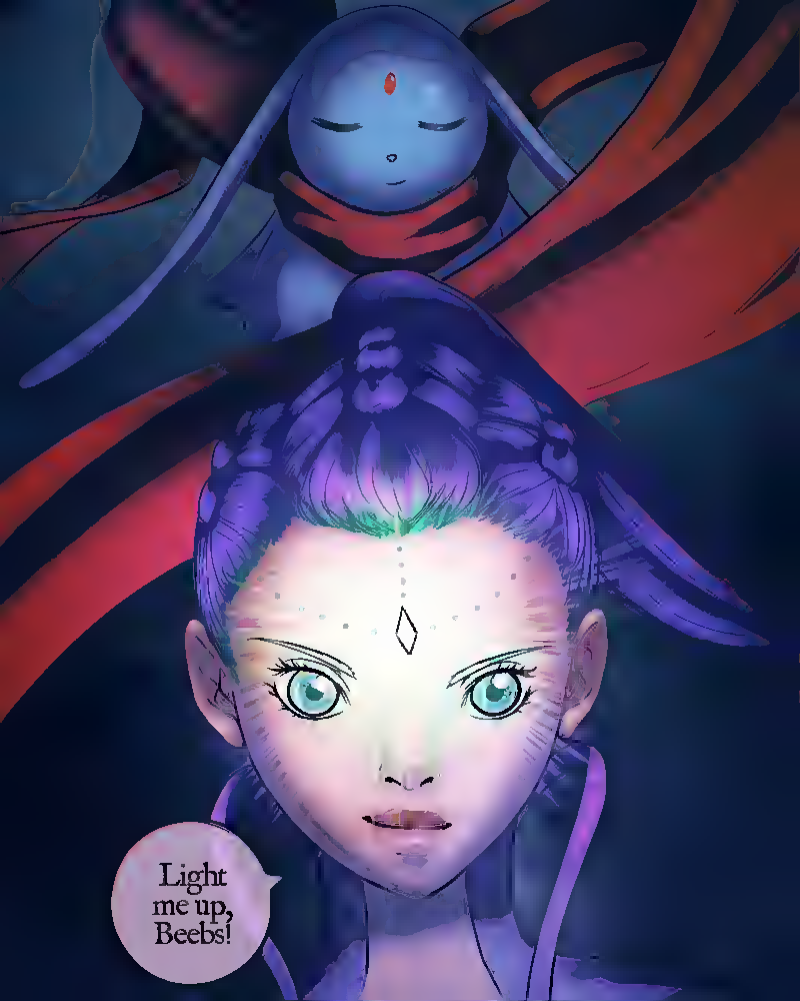


Magic.

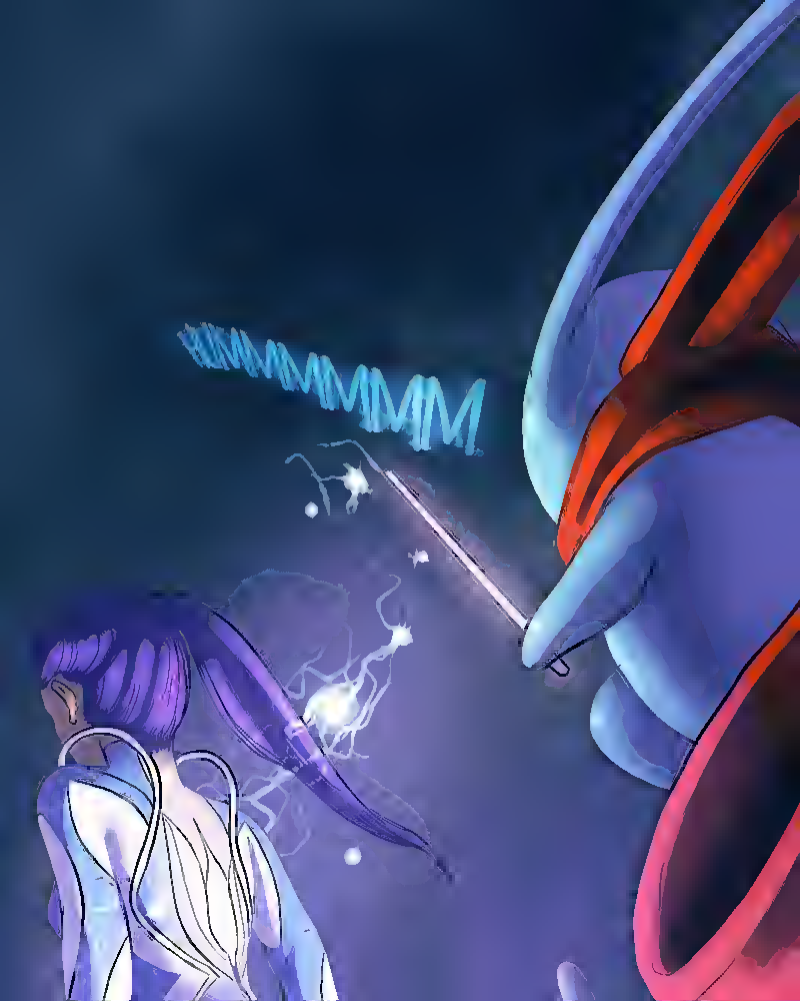


I want her, *alive*.
Yes, your grace.

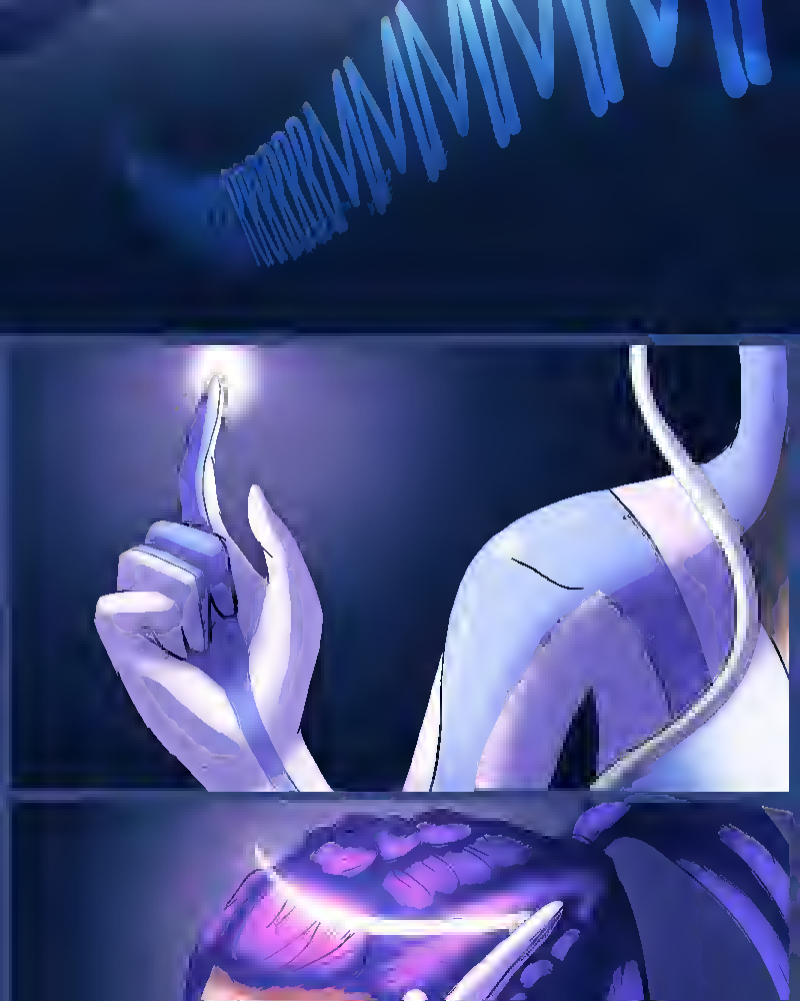
Rey, ready to boost your aura?



Light me up, Beebs!

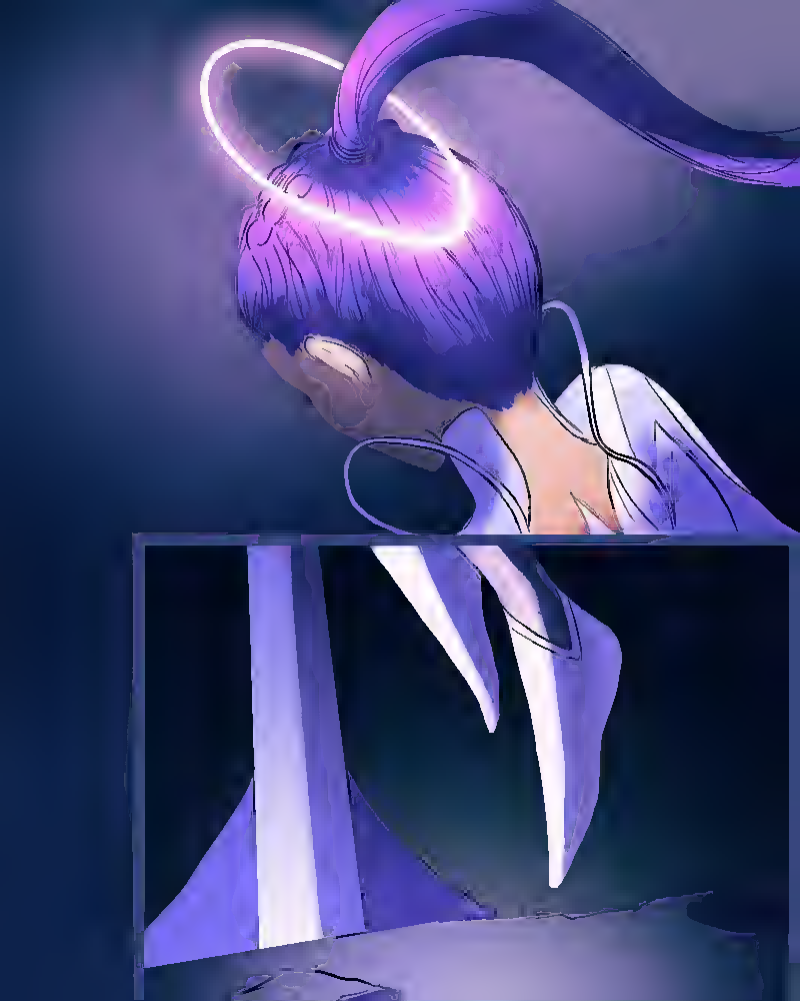


MMMMMMM



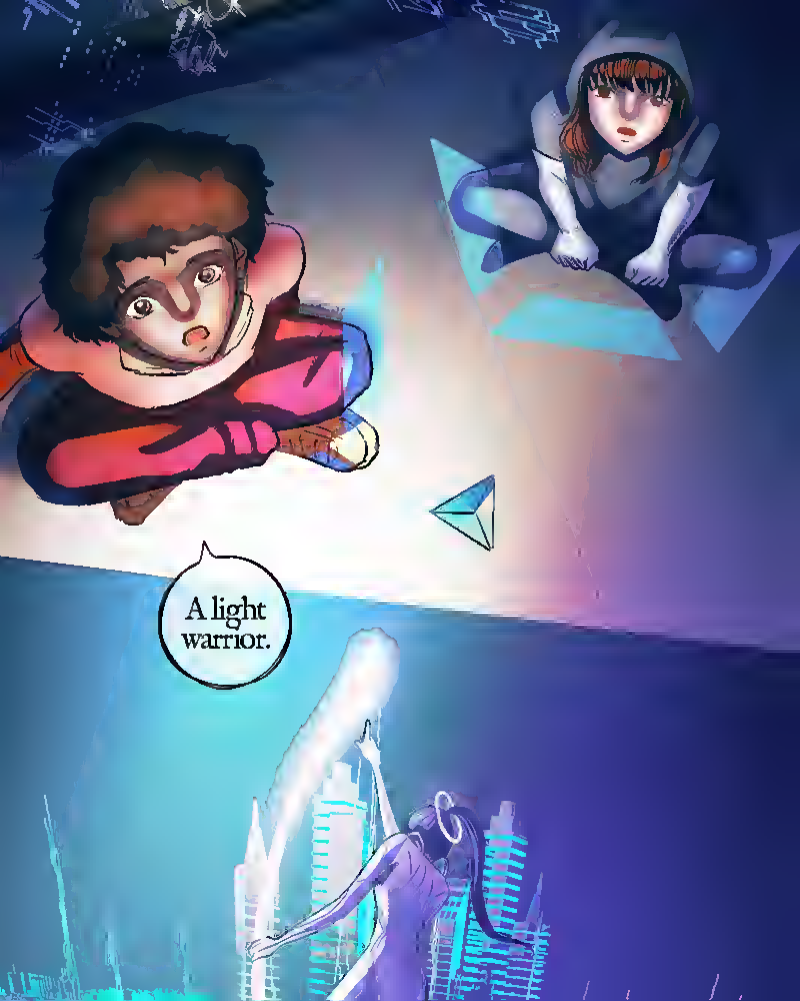
VRRRRMMMMMM

Impressive.

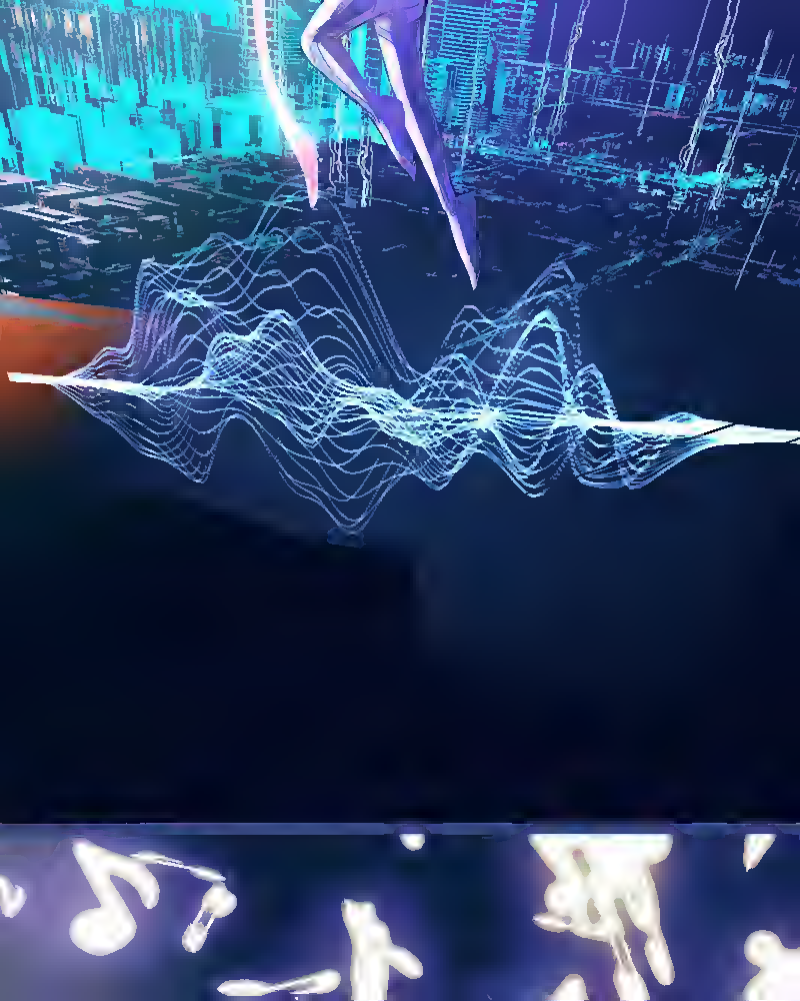


VRRRSHHHHHHHHHHHH
Are you guys seeing what *I'm* seeing?

Yes.
It appears as if Rhea's forming light with sound.



A light warrior.



Terra, we should get you somewhere safe.
It's just now getting good!

Tck.

Your grace, I advise that we leave.
Her power level is off the charts.
Wait.

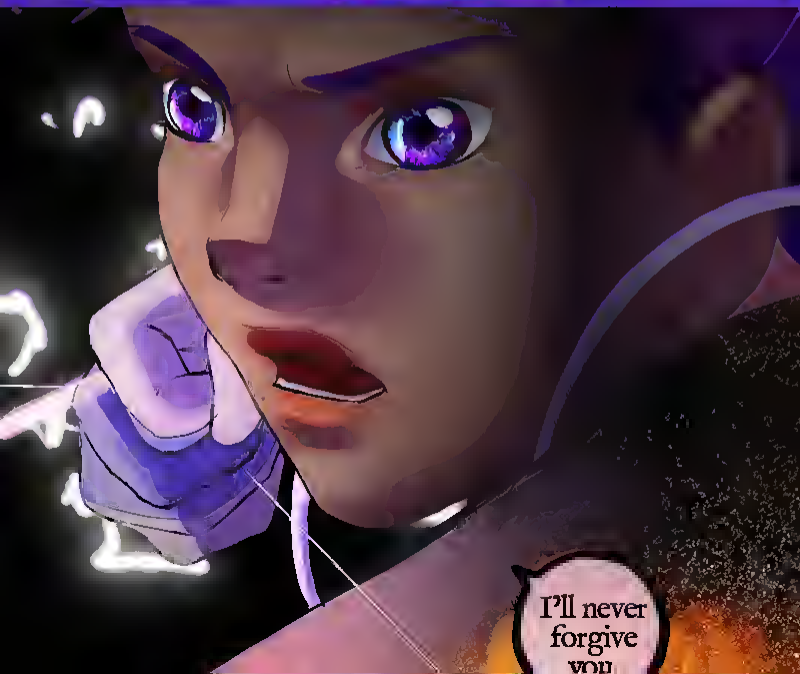
Rhea,
...please,

...hear me out.

I owe you my sincerest apologies.
...for how I mistreated you and your family.

Could you find it in your heart to forgive me?
I promise to make things

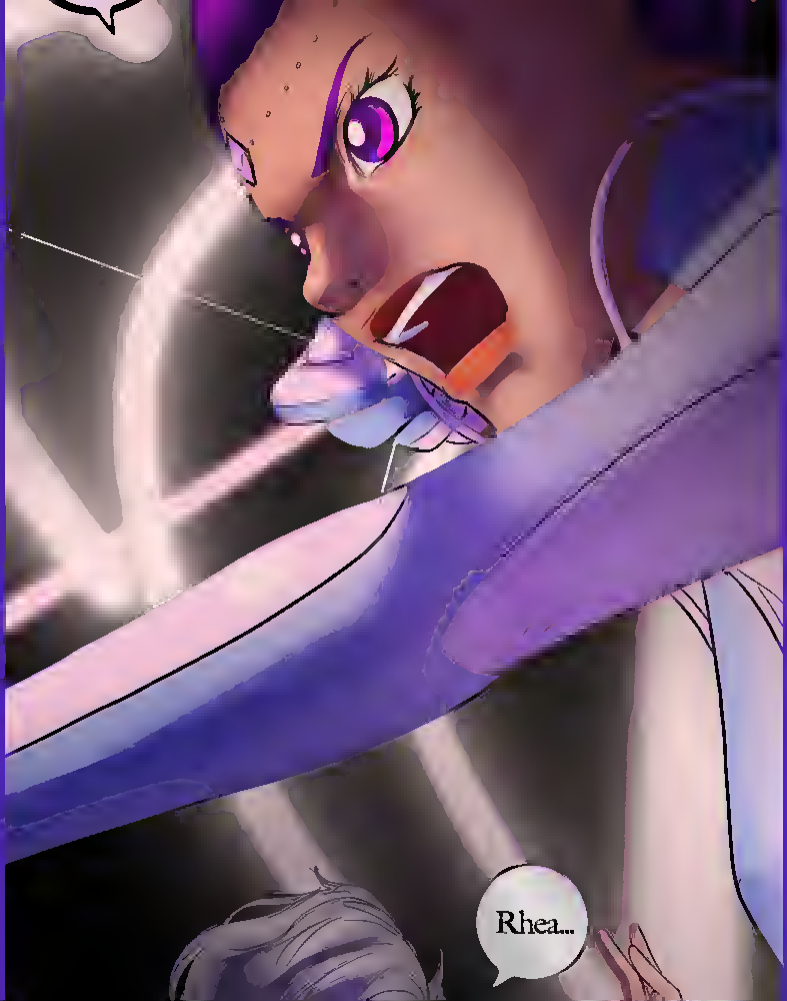
righteous again.



Think of all the people who died, because of you.

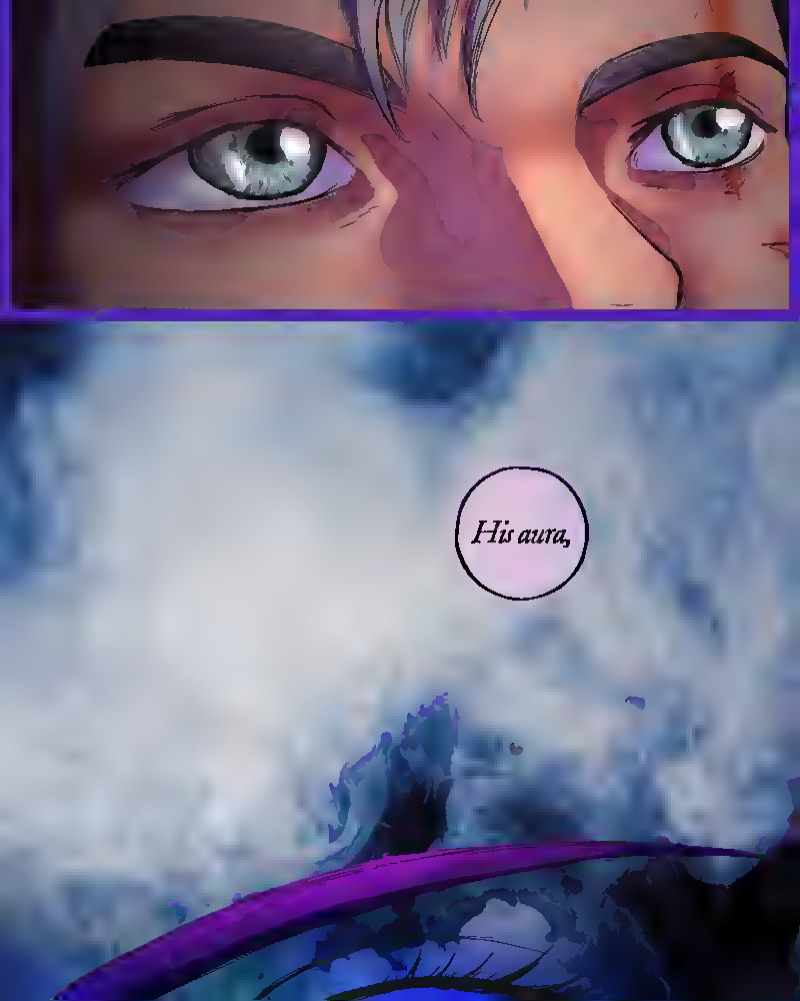
You don't deserve to-
Please, I merely issued the order to bring you back!
I apologize on behalf of Raven Core

for their rather crude methods.
LIAR!!!
You were there!



Rhea...

I assure you, I *do not* chase after my own prey.



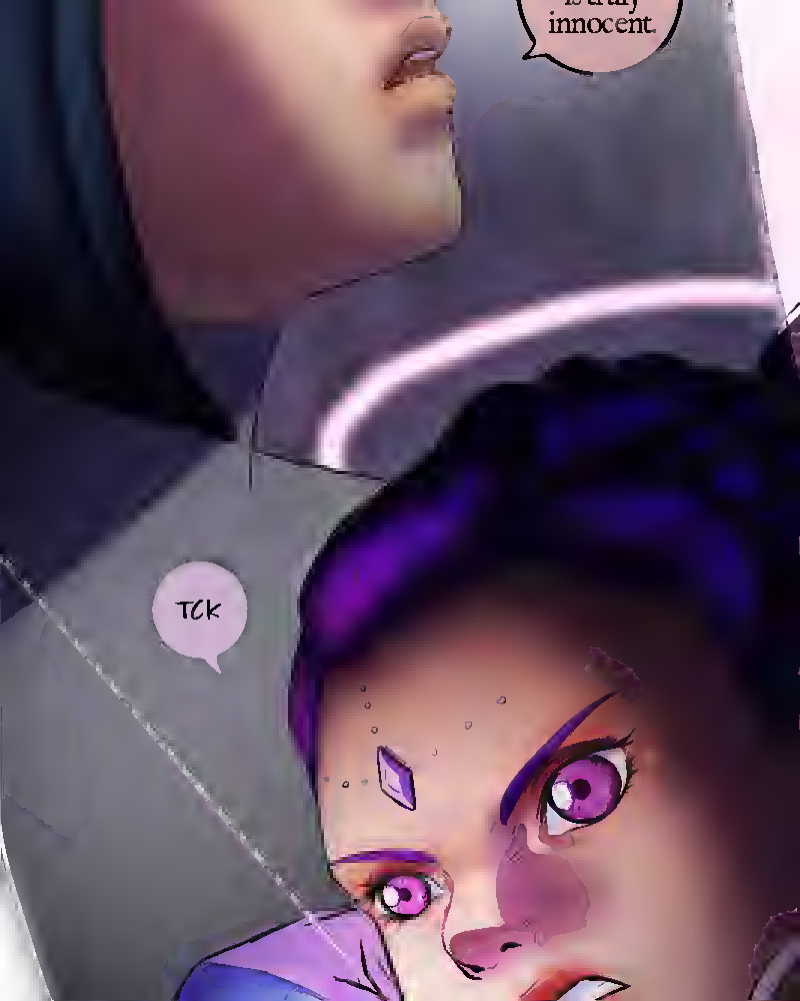
His aura,

...is glowing truthfully.

I don't understand,
...Bailey and Flo saw him there!

STOP!

I was the one who made the executive order to exterminate the compound.
His grace is truly



is truly innocent.
TCK

Rhea,

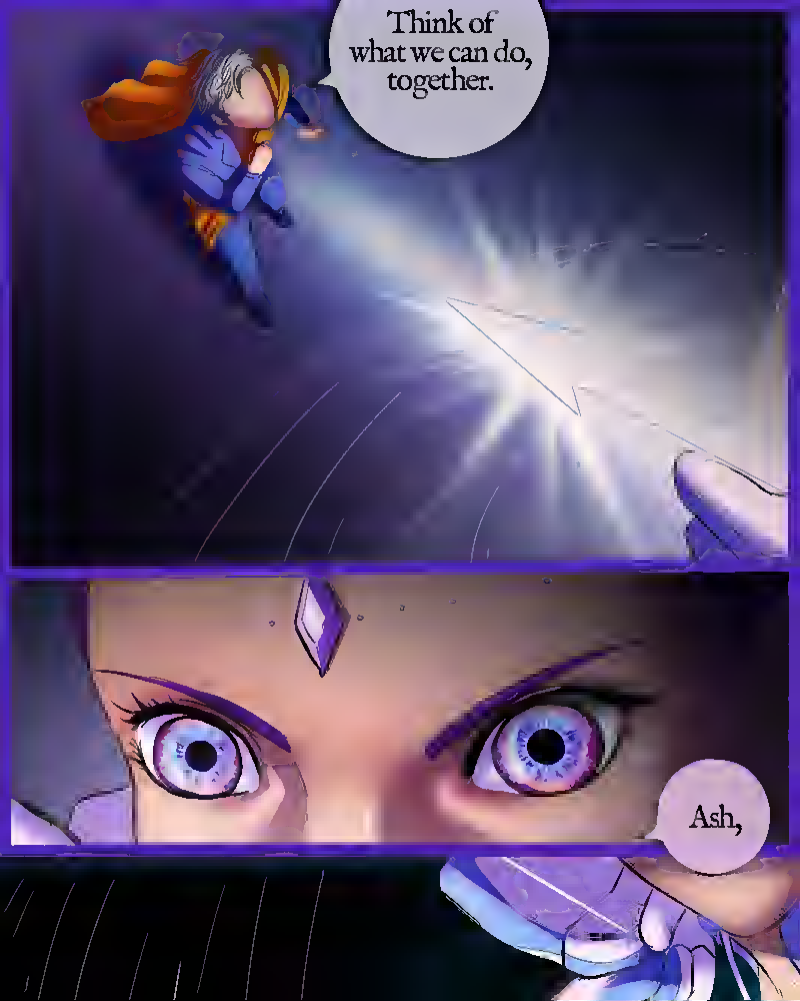
...let us start anew,

...and leave the past behind us.

Think about your family, friends
Think about them.
They will have their own Kingdom.

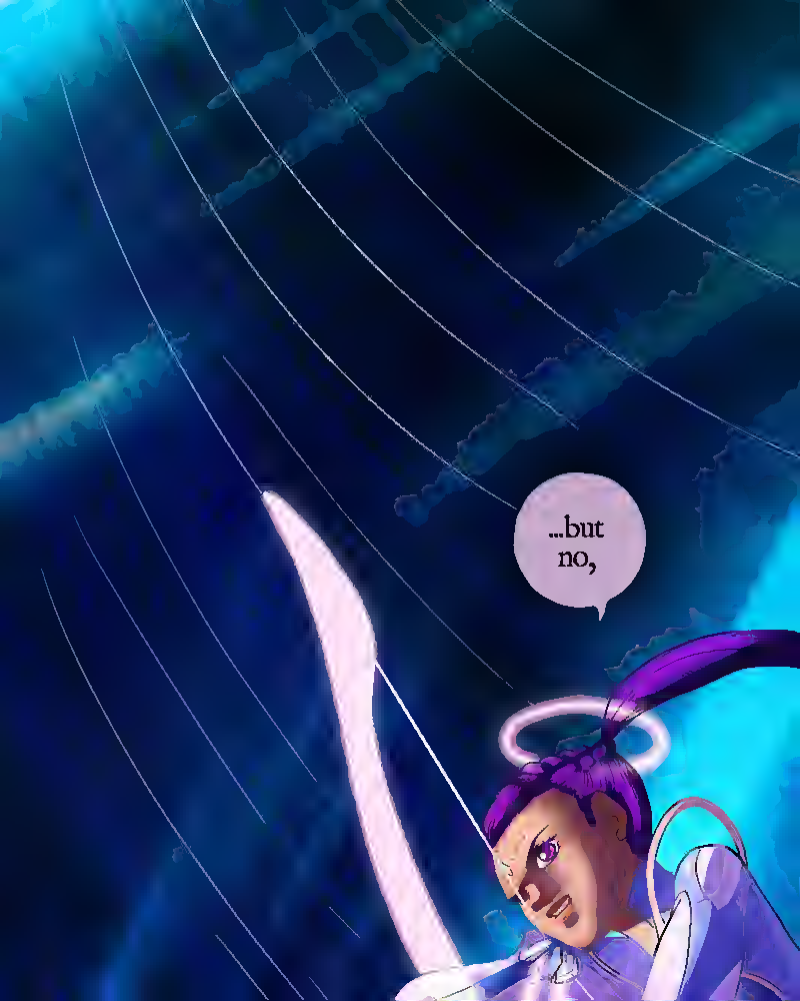
We can live amongst the stars, and reign together, in the heavens.

Rhea, join me.



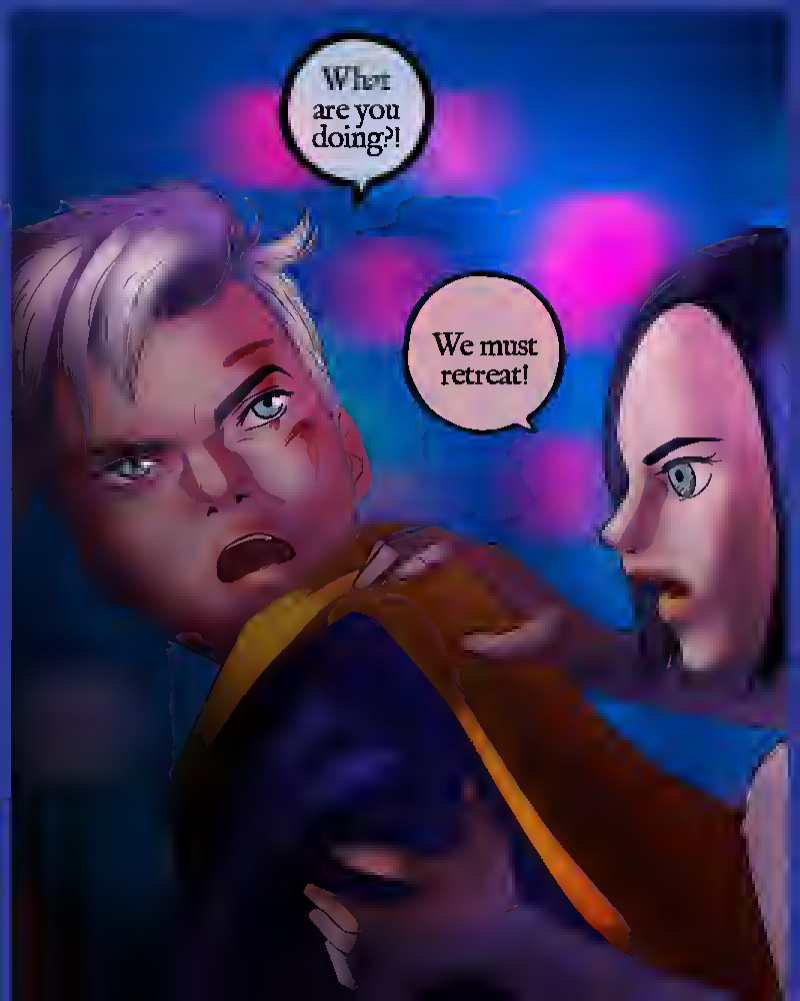
Think of what we can do, together.
Ash,

...I'm flattered,



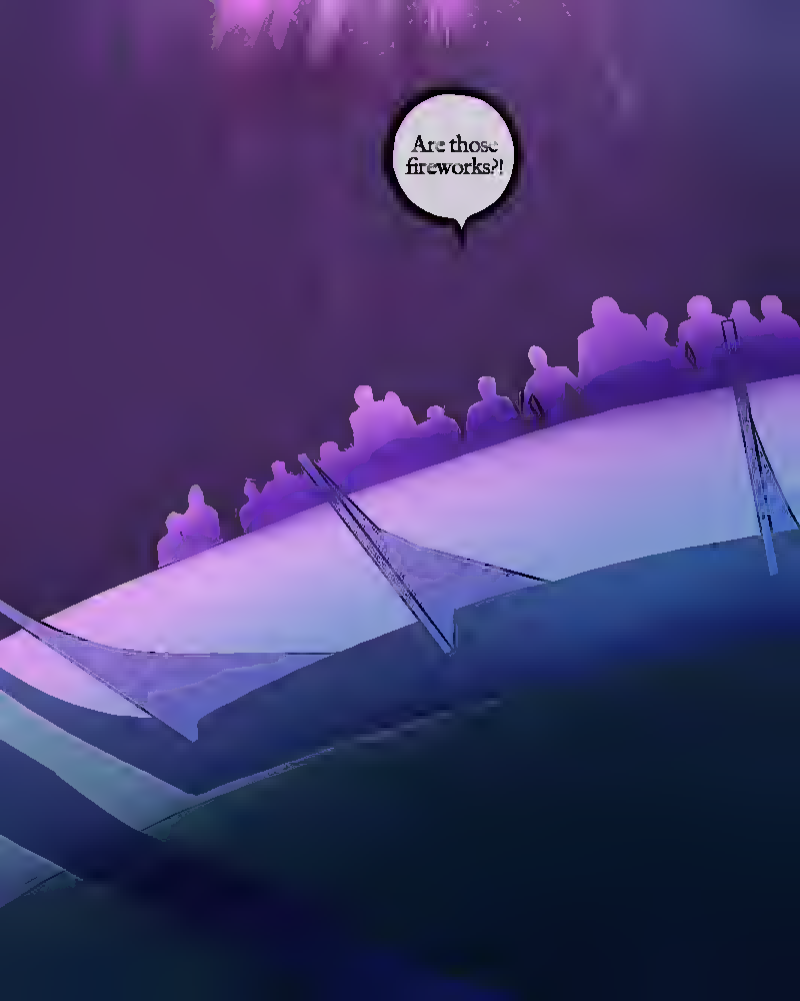
...but
no,

...means
No.

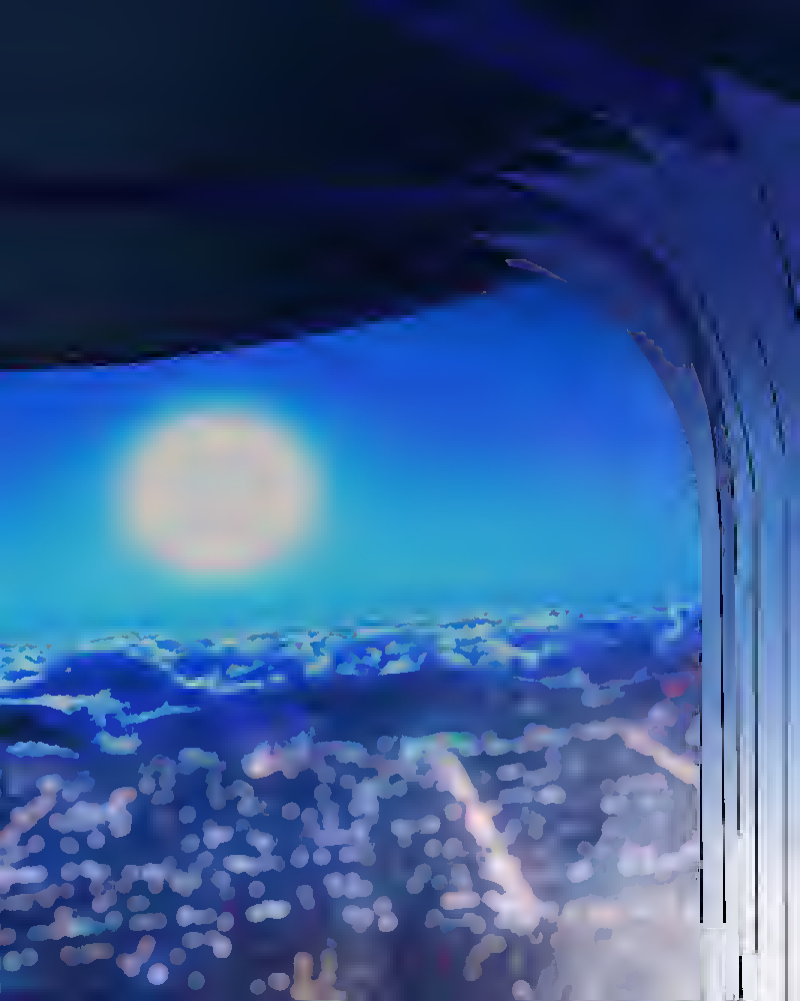


What are you doing?!
We must retreat!

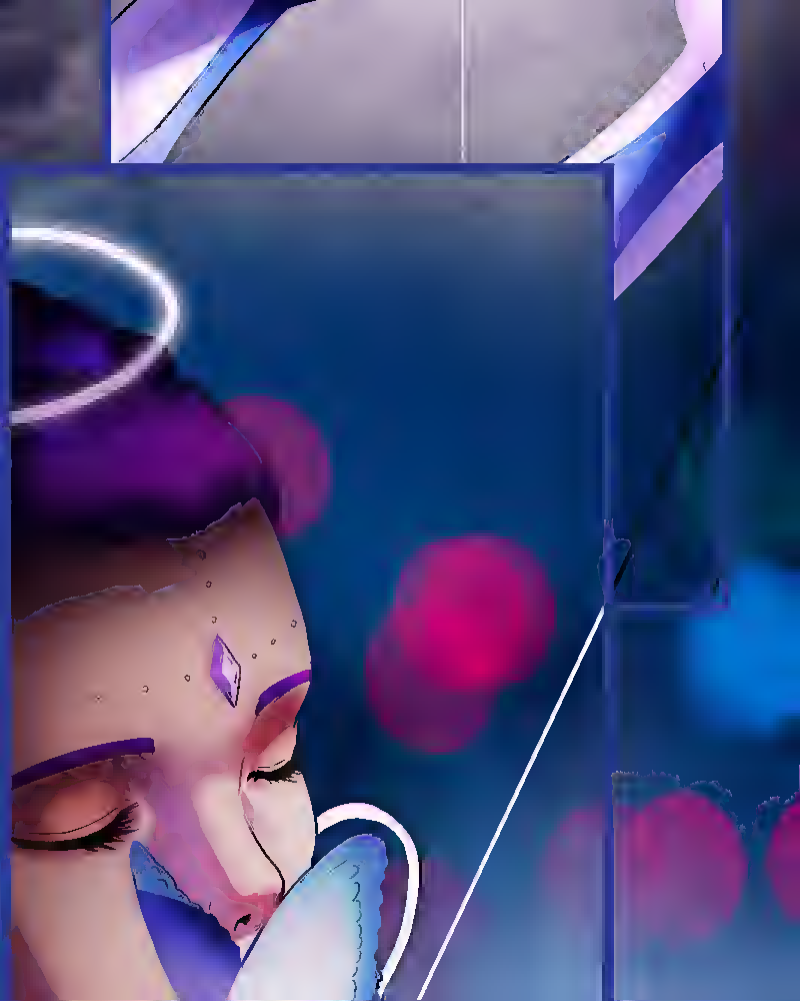
Look!

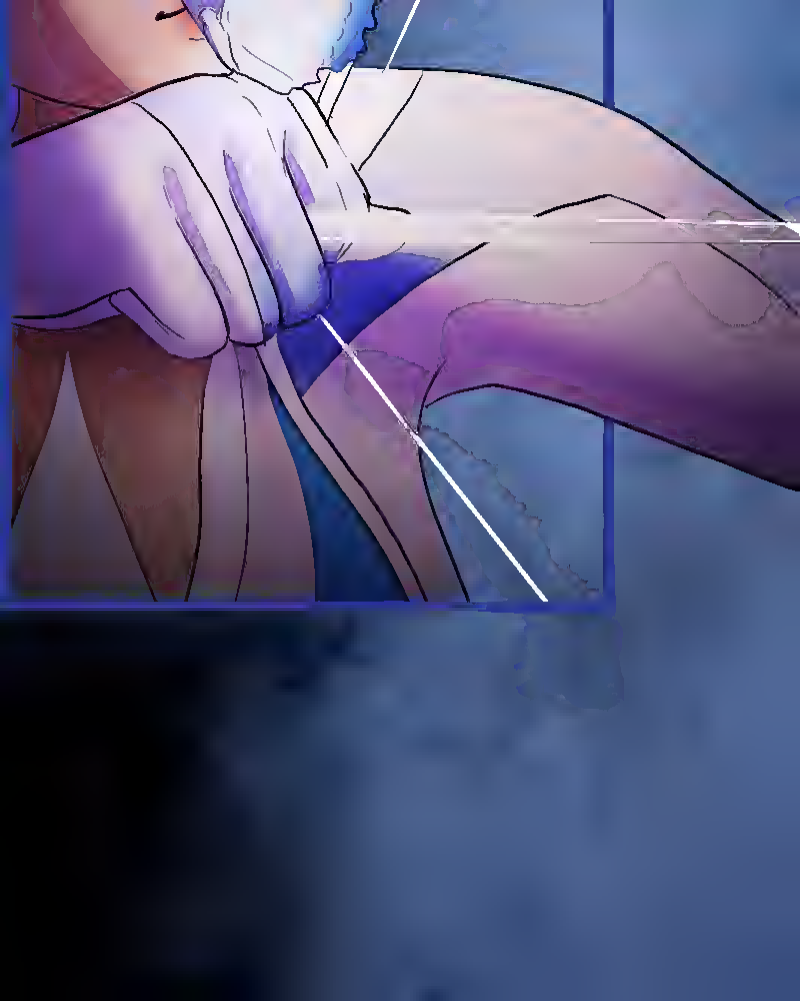


Are those fireworks?!



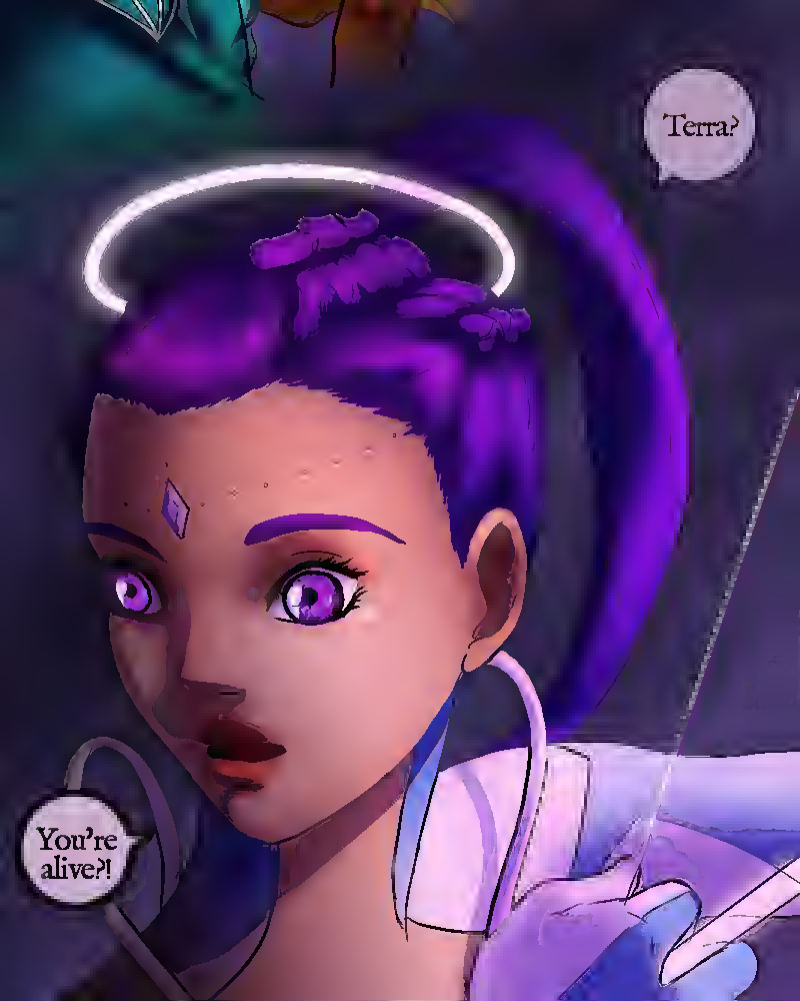
PULLS



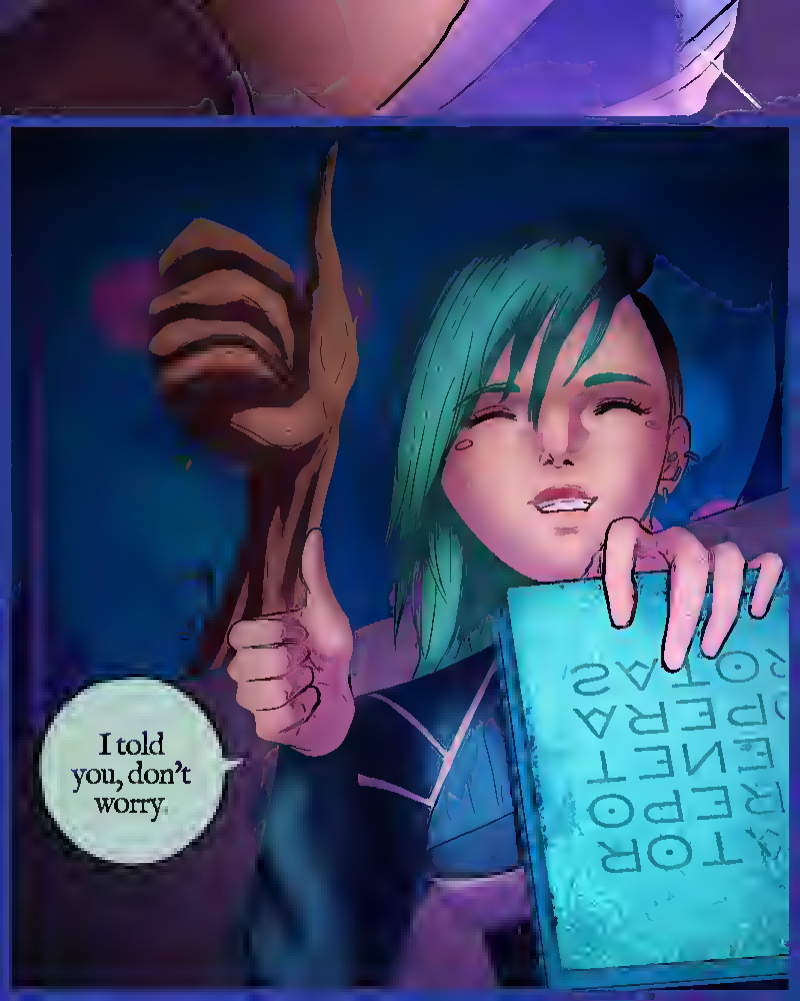


Wow.

Rhea...



Terra?
You're alive?!

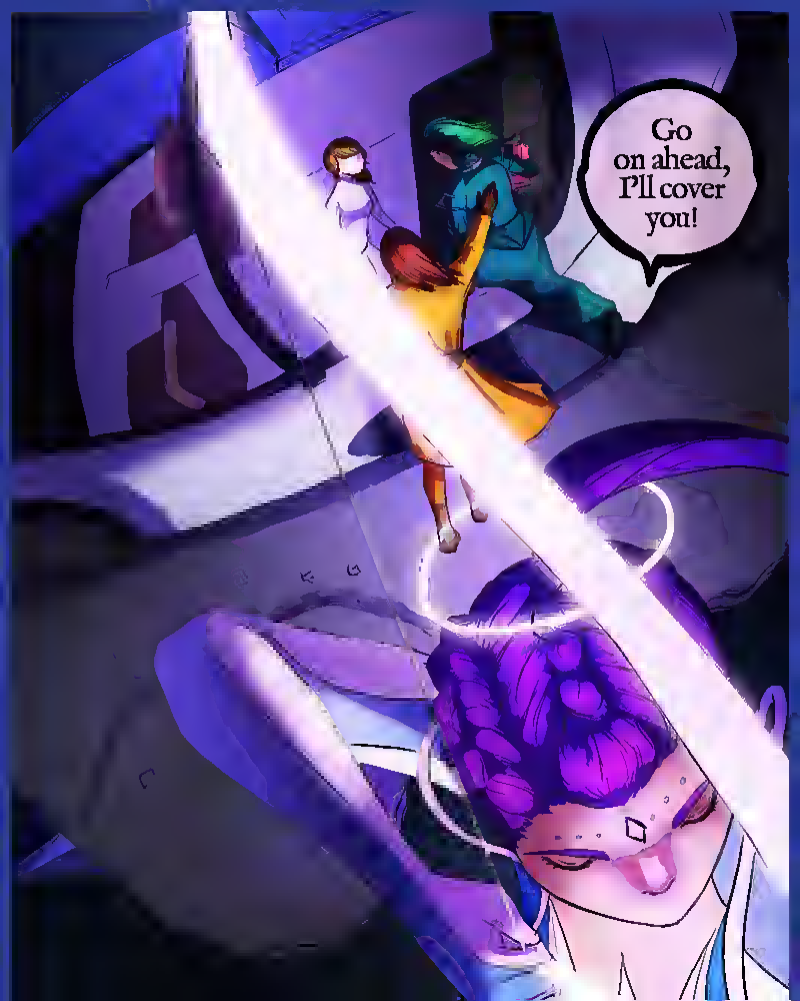


I told you, don't worry.

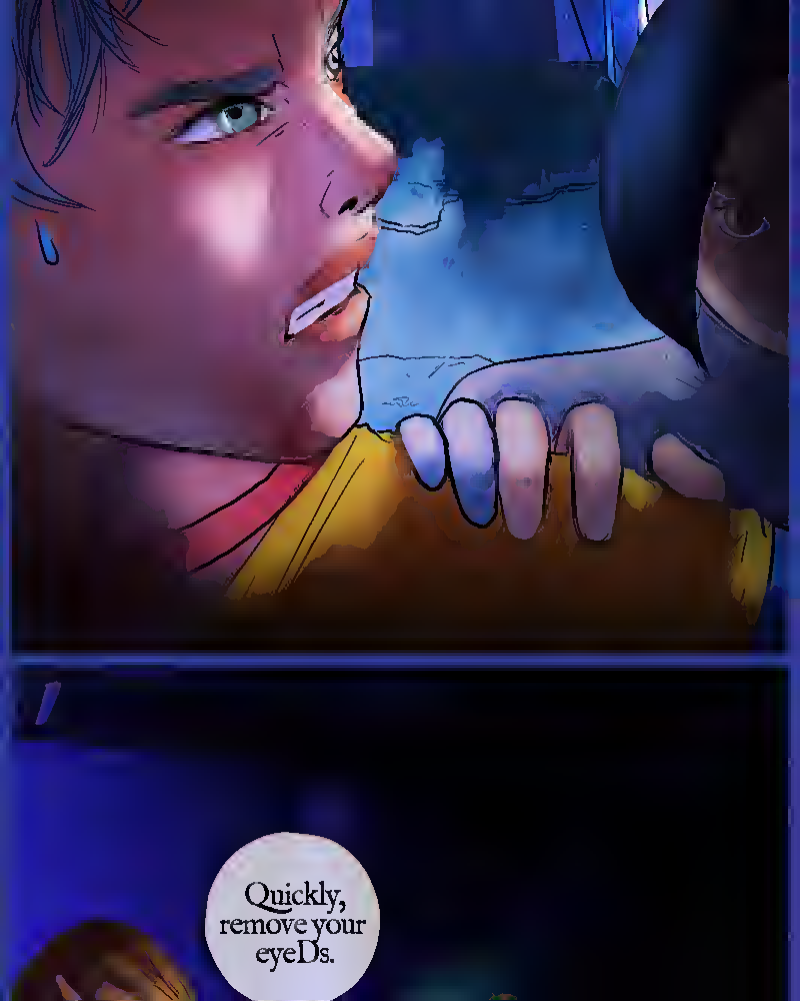
RHEA!

MOM!

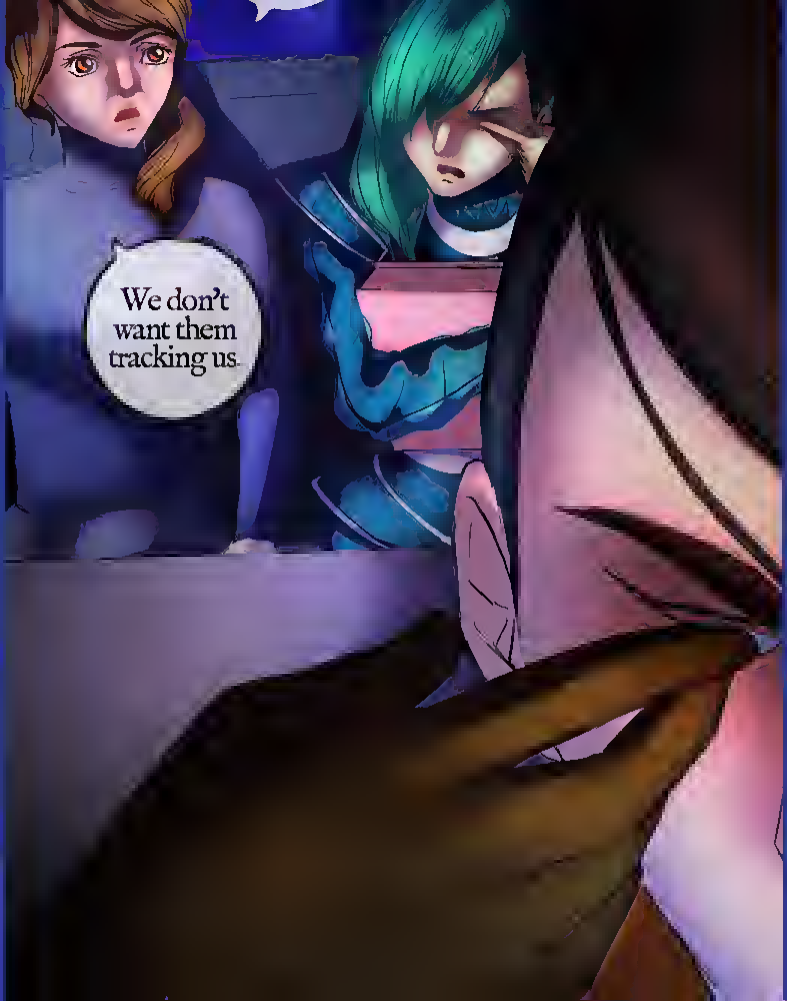
Get in everyone!



Go on ahead, I'll cover you!

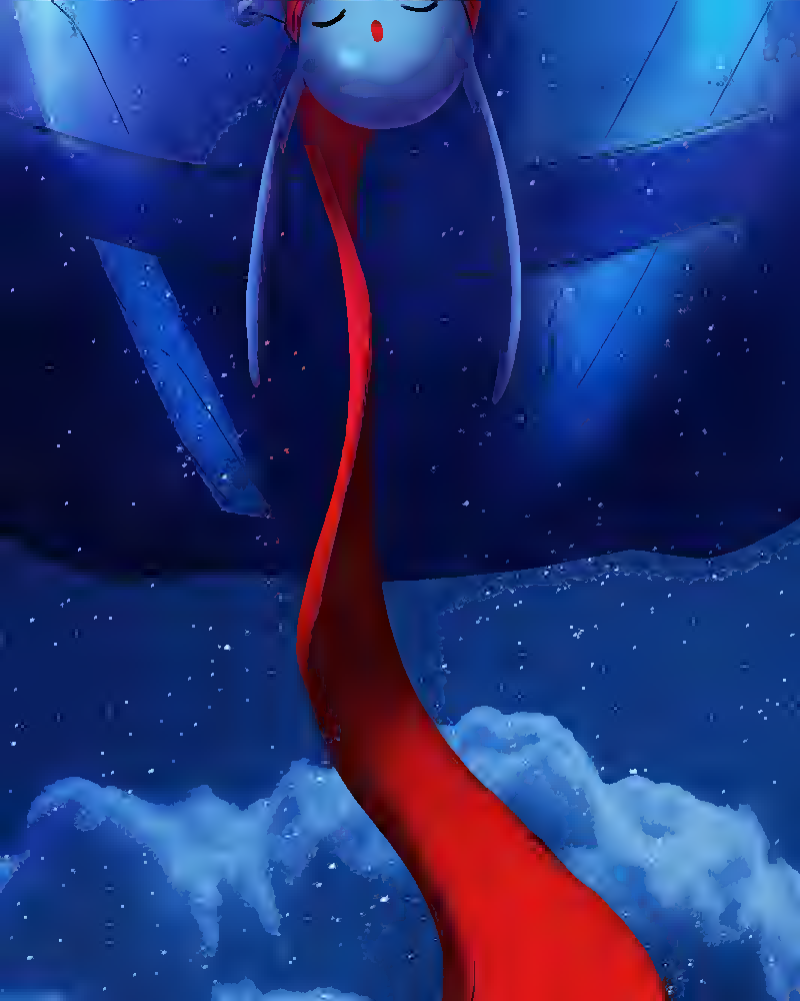


Quickly, remove your eyeDs.



We don't want them tracking us.

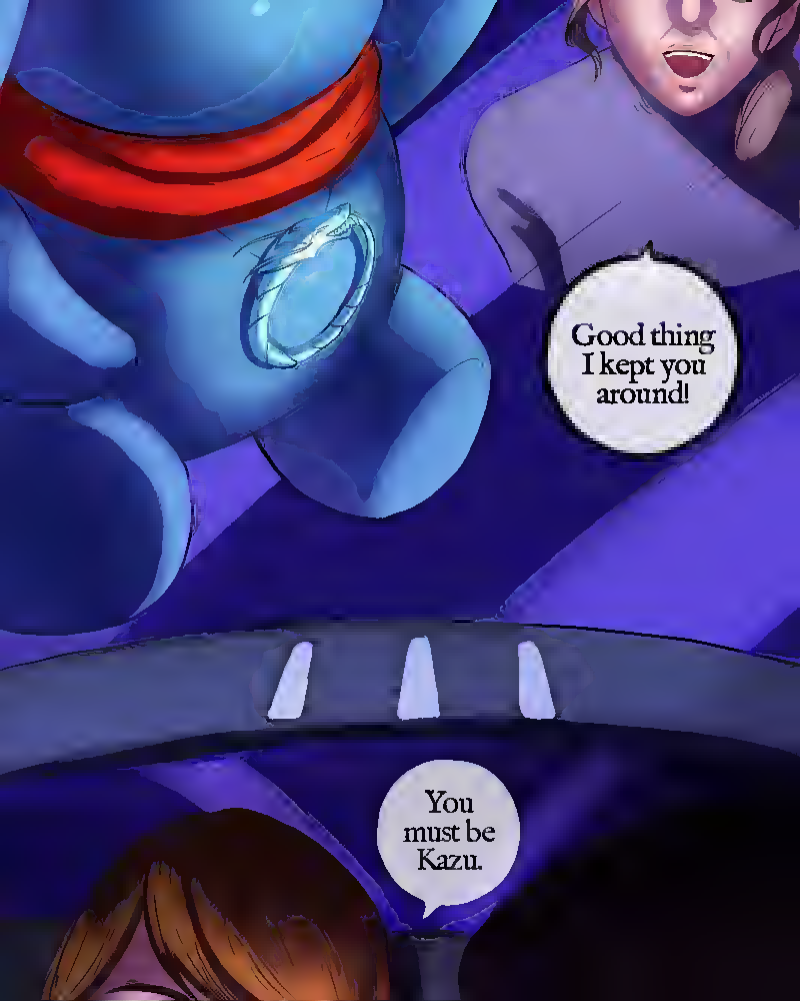
DADDY LOOK!
SHE'S FLYING!



We did it.
Terra, Flo told me everything.
Terra, thank you for taking care of the

children.
The pleasure is mine.

She's always wanted to fly.
Ahhh, Bebo.

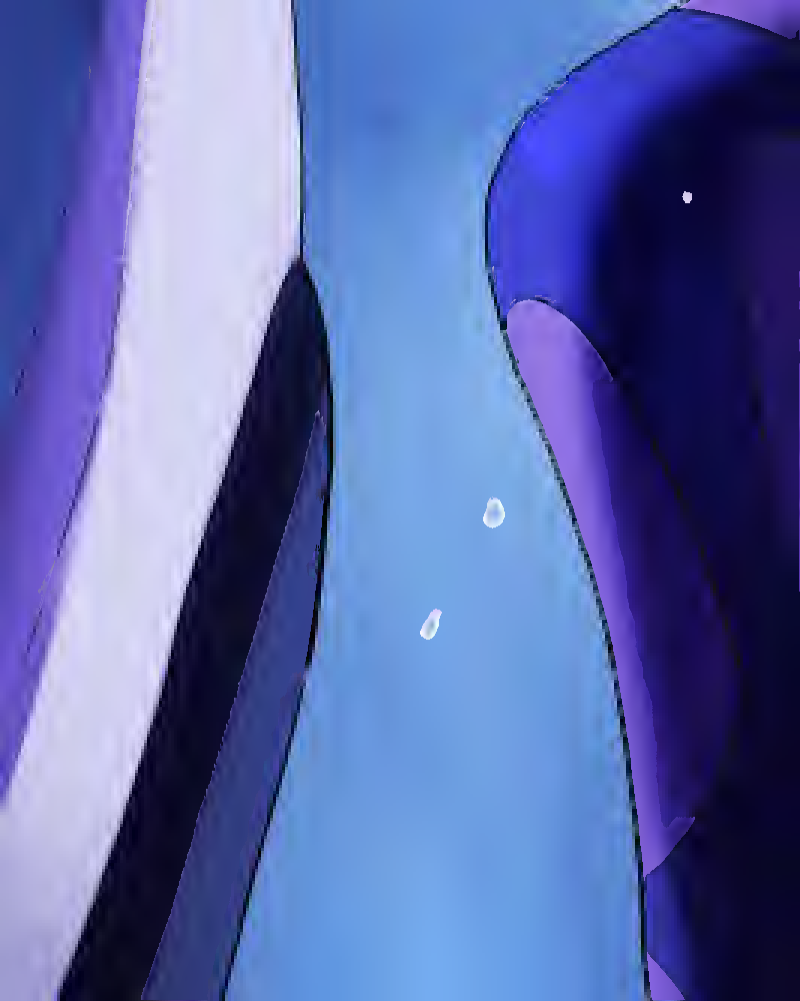


Good thing I kept you around!
You must be Kazu.

How do I repay the man who saved my daughter?
All I ask,
...is for your forgiveness. I misjudged you and Rhea.

Don't be so hard on yourself.

Besides, I think she's taken a liking to you.



Ms. Oribel!
You're okay!

Flo, Bailey, Jet!
Thank God, you're all safe!

KAZU!
HAHAHA!

TERRA!
HEY!
I told you we'd be back!

ATOR

SWOOP

RHEA!
BEBO!
RED!

GOSH...
I thought I'd never see you again!

Rhea.
Are you okay?

Yeah,
...never better.

Let's get you dinner.
MMHMM

Bebo, you look naked without Red.
But I'm still very a-peeling.
WOMP WOMP

Wait till you feast your eyes on this grimoire!

RHEA!
Are you coming?

the look he gave me when the vines started crawling up his legs.
HAHAHA!
I have a screen cap of it!
HAHAHA!

Rey, are your eyes better?
Not yet, I'm still colorblind,
I can only see colors if my

light-body is activated.
Rhea, I can take a look at your eyes.
Don't worry Mom. I'm fine, really.

It just,
...feels surreal, to be back.
Rhea, what happend?

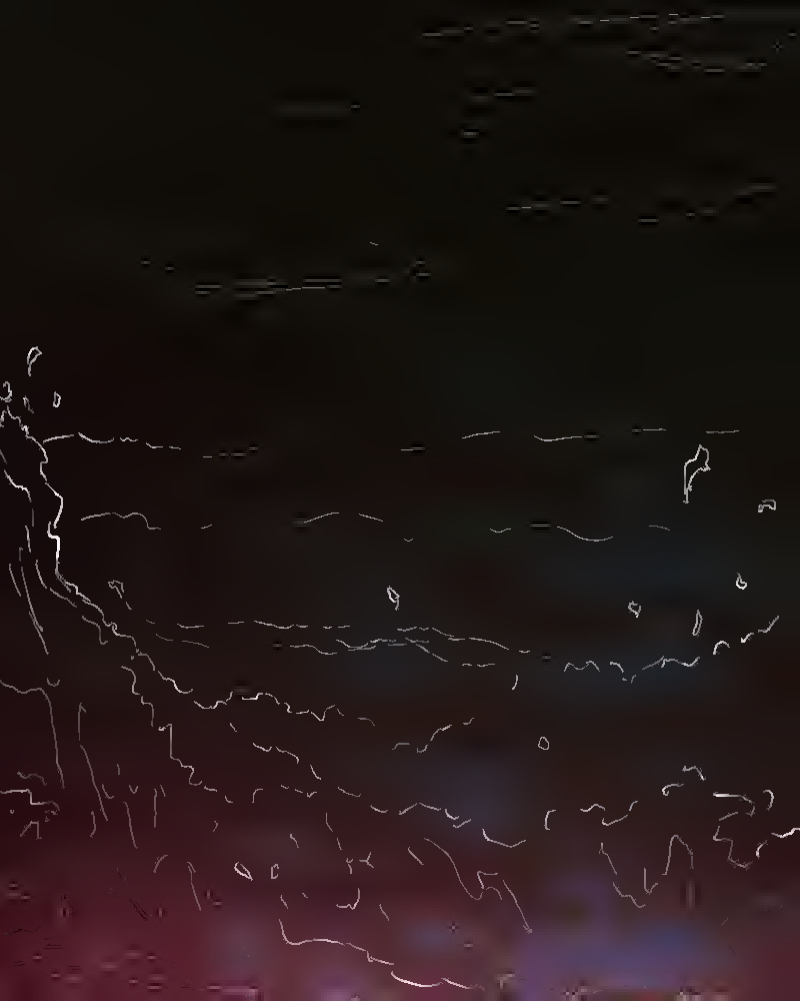
There was a flash.
Once the amulet activated, it became a doorway.

leading us deep within my subconscious.

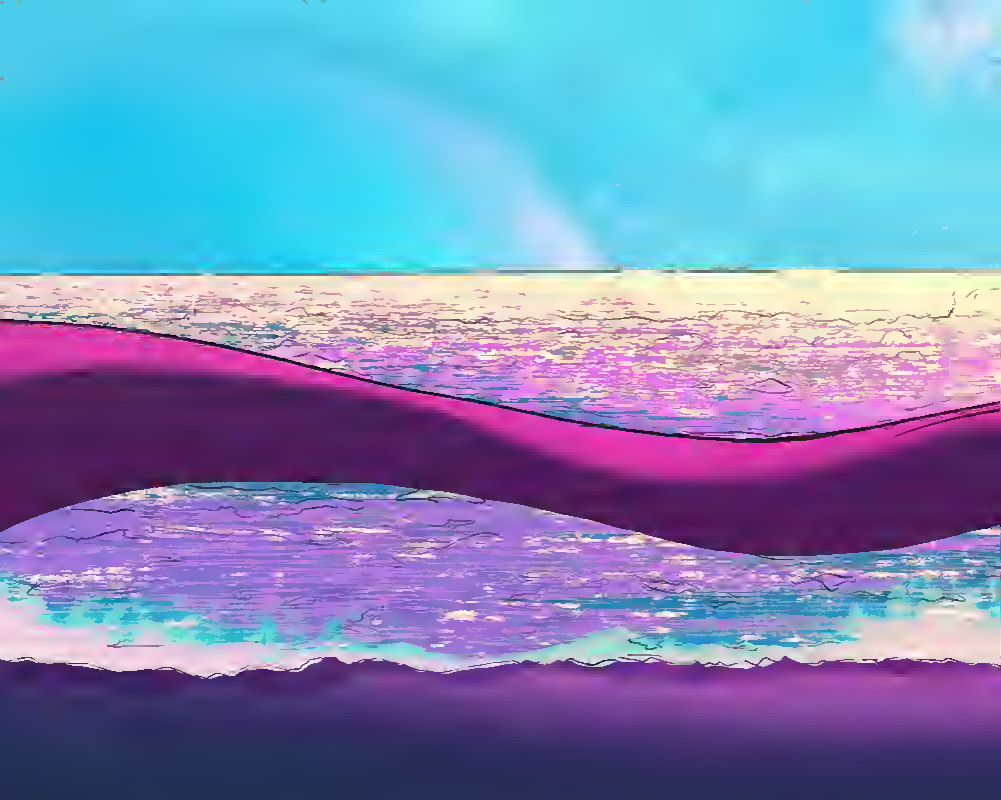
That's where my training took place.

To you, what appeared like a few seconds...

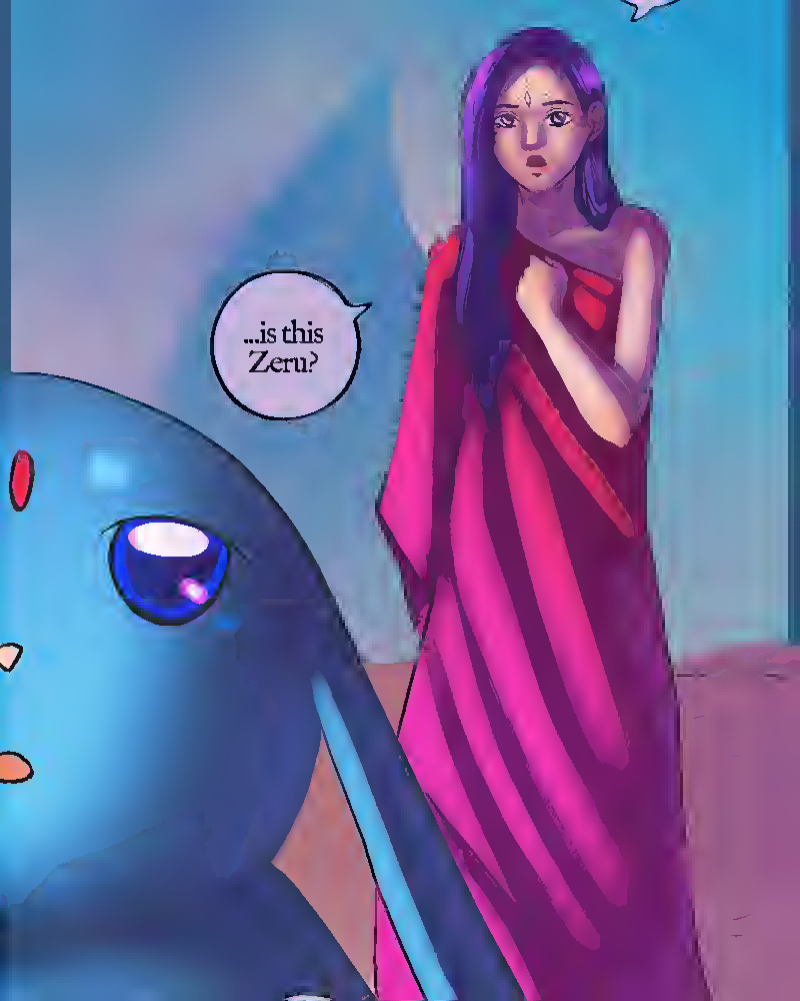
...felt like
a lifetime in
this world.



COUGH COUGH



Thank you Red.
I can see colors again.
Bebo,

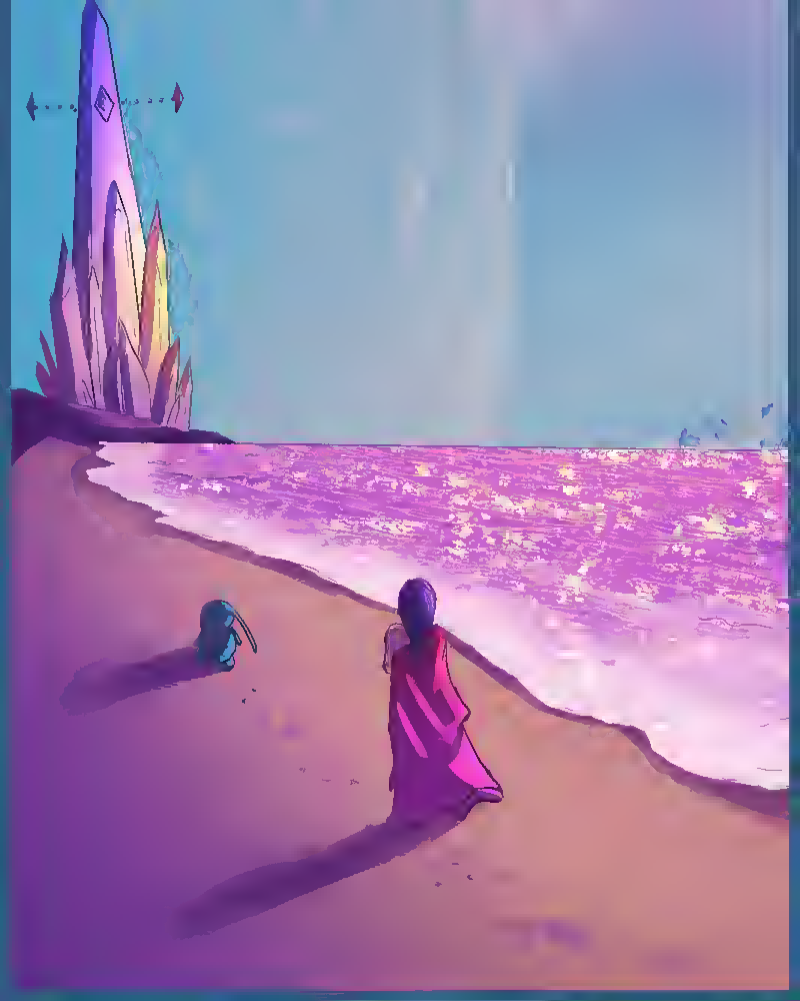


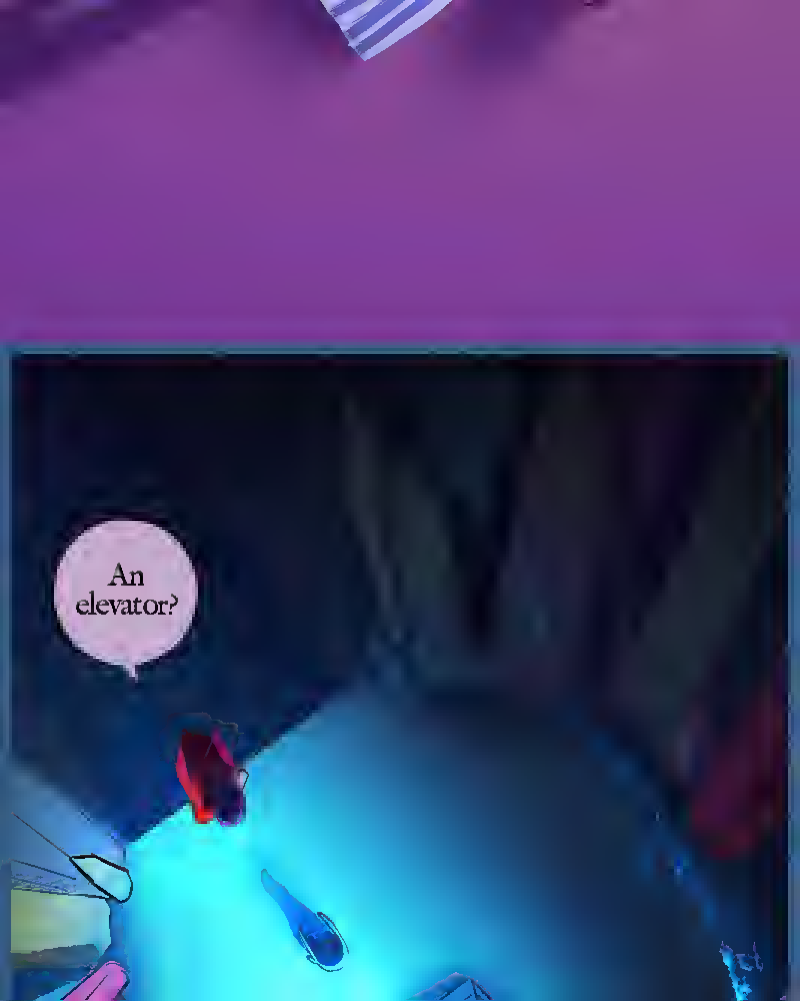
...is this Zeru?

Sadly, no.
This, is only the surface of your subconscious.

We'll have to journey deeper in.

Follow
me.





An elevator?

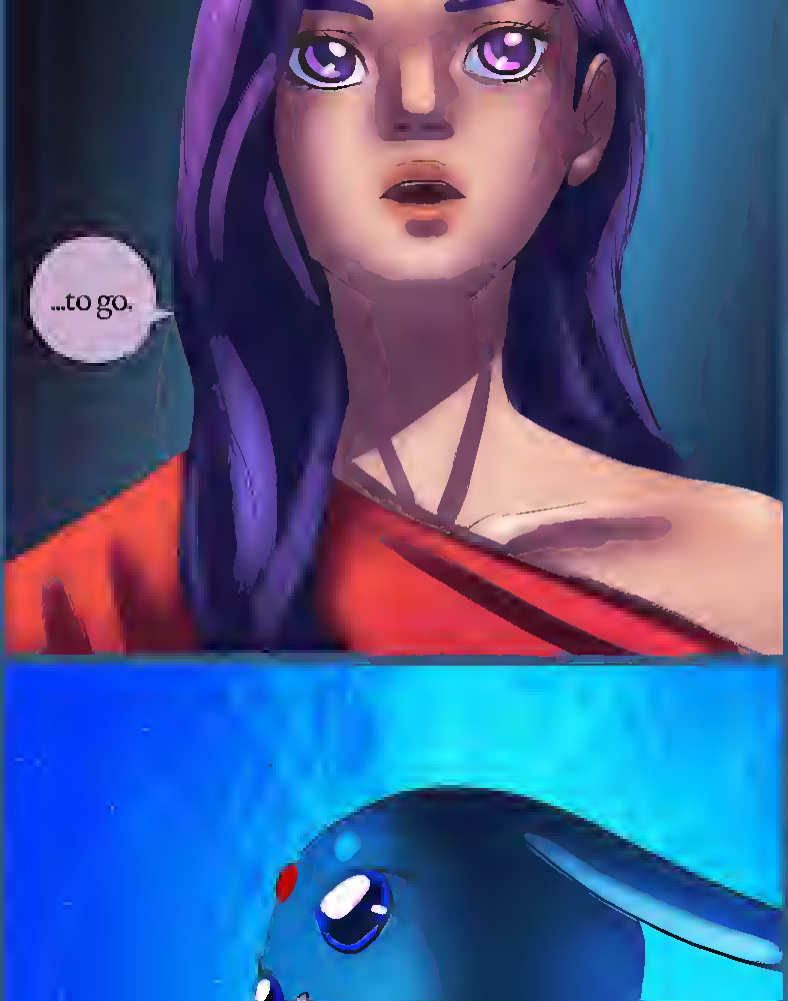
Rhea,

...are you ready?

What do we do now?
Like everything in the universe.
We wait,

...or
we go.

I choose,



...to go.

If light is a place,
...then darkness is the way.
